Item No. 11

Given the Company's future growth plans the Board considers it necessary to augment the long term resources of the Company through issuance of Non-Convertible Securities , including but not Limited to Non-Convertible Debentures (NCDs) and Commercial Papers (CPs) which has better acceptability in the market and is very competitive. In view of the same, the Board of Directors has, in its meeting held on 12th August, 2018, considered and approved, subject to the approval of shareholders, issuance of secured/ unsecured redeemable Non-Convertible Securities including but not Limited to Non-Convertible Debentures (NCDs), and Commercial Papers (CPs) in one or more tranches/series, up to an amount, the aggregate outstanding of which, at any given time, should not exceed ₹ 30,000 crores on private placement basis. The Non-Convertible Securities to be issued, from time to time, in terms of the said Resolution will be within the overall borrowing limits as may be approved by shareholders, from time to time, under Section 180(1)(c) of the Companies Act, 2013. In terms of Section 42 and 71 of the Companies Act, 2013 read with Companies (Prospectus and Allotment of Securities) Rules, 2014 and Companies (Share Capital and Debentures) Rules, 2014 any offer or invitation for subscription of Non-Convertible Securities to be issued by the Company on private placement basis requires prior approval of Shareholders by way of special resolution. Approval of the shareholders of the Company will be valid for one year for all the offers or invitations for Non-Convertible Securities to be made during the said year.

The pricing of Non-Convertible Securities will depend primarily upon the then prevailing market conditions and regulatory scenario. The pricing for each of the issuance would be approved by the Board of Directors or any of its Committee duly authorised in this regard.

None of the Directors or key Managerial Personnel and/or their relatives are in any way, financial or otherwise, interested or concerned in this resolution.

The Board of Directors believes that the proposed offer will be in the best interest of the Company and recommends the resolution for the consideration and approval of the shareholders as special resolution.

By Order of the Board of Directors,
For PTC India Financial Services Limited

Increase in finance charges is due to increase in portfolio size and also includes amortization of foreign currency translation aggregating to ₹ 76.24 million as compared to ₹ 144.08 million during FY 2016-17. Other expenses amounting to ₹ 405.20 million during FY 2017-18 constitute 3.64% of interest income and 0.32% of loan book as compared to ₹ 359.39 million for FY 2016-17 which constituted 3.22% of interest income and 0.34% of loan book in respective previous FY 2016-17. Fee based income has declined from ₹ 849.11 million in FY 2016-17 to ₹ 723.23 million in FY 2017-18. Provision and contingencies (including diminution of equity investments) has been increased to ₹ 3,621.16 million in FY 2017-18 from ₹ 1,425.67 million in FY 2016-17. The overall yield on loan assets for FY 2017-18 stood at 10.29% compared to 12.10% in FY 2016-17, whereas cost of borrowed funds reduced to 8.18% during FY2017-18 compared to 8.79% in FY 2016-17, leaving spread of 2.11% for FY 2017-18 compared to 3.31% in FY 2016-17.

The profit before tax (PBT) for FY2017-18 stood at ₹ 1,049.39 million

compared to ₹ 5,286.81 million during FY 2016-17. The profit after tax (PAT) for FY 2017-18 stood at ₹ 247.05 million. However, if neutralized for impact of stressed assets the adjusted Net Interest Income for the FY 2017-18, would have been ₹ 5,178.25 million, and adjusted net profit after tax would have been ₹3,453.30 million as against ₹ 247.05 million. Adjusted for the impact of stressed loan assets, Yield and Spread for FY 2017-18 stood at 11.03% and 2.85% respectively compared to Yield and Spread of 12.11% and 3.31% during FY 2016-17 respectively.

During the year, PFS Gross NPA has increased from ₹ 5,847.90 million to ₹8,383.79 million and net NPA from ₹ 3,935.07 million to ₹5,192.66 million and as on FY 2017-18, Gross NPA as a % to gross advances was 6.54% and Net NPA as a % to net advances was 4.16% as compared to 5.51% and 3.78% respectively for FY 2016-17. The most of the NPA accounts belong to the thermal and large hydro project. The approach of PFS is to progressively reduce the NPA level by resolution through measures like sale to new investor or ARC/reference to NCLT/or through resolution plan under Samadhan/ Sashakt Scheme. Case by case approach towards resolution is being pursued by PFS. A special team has been set up to deal with and find resolution of stressed assets. In the current financial year PFS has focused sanction mainly to the promoter having satisfactory track record with PFS.

The portfolio of PFS continues to record CAGR of 25% and achieved so by changing gears well in time from financing thermal generation projects to renewable sector, and also incremental exposure in phased and prudent manner to mix sector like roads, ports, transmission and infrastructural logistics projects. Incrementally sanctions to these sectors have been ₹ 18,349.10 million which is 22.24% of the total sanction in the FY 2017-18. Incremental sanction to thermal projects in last five years has been minimal, reducing share of thermal to 11% in the total portfolio from 49%. PFS sanctioned financial assistance to 192 projects of wind & solar amounting to ₹ 2,33,004 million and loan outstanding at the end of FY 2017-18 is ₹73,239 million. Out of the 90 live projects in solar and wind sector, 79 projects are operational. Further, two wind projects aggregating to ₹714.5 million which comes to 0.56% of outstanding loan in wind projects and which are in the advance stage of resolution. None of the 58 solar projects in the books of PFS as on March 31, 2018, is in the category of NPA.

For ensuring robust quality of the portfolio, PFS will continue to strengthen its credit appraisal process and risk management function, while further enhancing the project monitoring function for early identification of stress in assisted projects.

2. Summary of Operations

The loans sanctioned during FY2017-18 were at ₹ 82,494.40 million. The disbursements maintained an upward trend during the year with disbursements made towards the solar power based and other infrastructure projects. The fund based gross disbursements increased by 22% to ₹ 51,031.80 million compared to ₹ 41,787 million during 2016-17.

The gross portfolio stood at ₹ 143,122.90 million as at FY 2017-18 as compared to ₹ 123,423.60 million as at the end of FY2016-17. The fund based portfolio stood at ₹ 128,163.70 million as at 31st March 2018 as compared to ₹ 106,100.00 million as at 31st March 2017 and the letter of comfort stood at ₹ 14,959.20 million as at 31st March 2018 as against ₹ 17,323.60 million as at 31st March 2017. The equity investments made by the Company aggregated to another ₹ 2,484.68 million as at the year end. The cumulative gross aggregate debt assistance sanctioned by the Company as at 31st March 2018 aggregated to ₹ 331,038.20 million and net of cancellations/loan closure, the cumulative debt sanctioned aggregated to ₹ 238,266.00 million.

The financial assistance by PFS would help in capacity addition of about

20,500 MW. PFS is constantly working with new as well as existing developers and is focused towards diversifying its portfolio. As on 31st March, 2018, PFS has total outstanding exposure of 57% in renewable sector, 16% in thermal sector, 4% in hydro sector and 23% in other infra sectors.

The power sector is witnessing stress particularly in case of thermal projects. Several thermal projects in the country (both operational and under construction) are facing challenges related to fuel price and availability, power tariff, time and cost overruns along with equity infusion by promoters specially in case of under construction projects. PFS is also faced with challenges in respect of such projects. As at 31st March 2018, the non-performing loans portfolio stood at ₹ 8,383.79 million, projects having aggregate loan outstanding of ₹ 8,544.39 million are under corrective action plan (SDR/OSDR) and projects having aggregate loan outstanding of ₹ 2,071.43 million faced delays in commencement of commercial operations and have been classified as Standard Restructured. The Company continues to regularly monitor the progress and operations of the assisted projects through its comprehensive project monitoring mechanism.

3. Industry Scenario

India's power sector continues to be a critical enabler for economic growth and welfare. It is one of the most diversified power sector in the world and the sources of power generation range from conventional sources such as coal, lignite, natural gas, oil, hydro and nuclear power to viable non-conventional sources such as wind, solar, and agricultural domestic waste. Electricity demand in the country has increased rapidly and is expected to rise further in the years to come with drastic change in demand pattern. The sector with such development is also undergoing a significant change that is redefining the industry outlook. Sustained economic growth continues to drive electricity demand in India. The Government of India's focus on attaining 'Power for all' has accelerated capacity addition in the country. At the same time, the competitive intensity is increasing at both the market and supply sides

The Government of India has identified power sector as a key sector of focus so as to promote sustained industrial growth. The sector has tremendous investment potential, thereby providing immense opportunities in power generation, distribution, transmission, and equipment. India has set an ambitious plan to add 227 GW of renewable energy generation capacity by 2022 and is being counted globally as a country leading investments in renewable energy.

According to the Standing Committee on Energy, there are 34 stressed power projects with an outstanding debt of ₹ 1.8 lakh crores. 17 of these projects with aggregate capacity of 34000 MW are affected because of coal linkage. Major reasons for the financial stress in these thermal power projects include: (i) non-availability of fuel (coal), (ii) lack of enough power purchase agreements (PPAs) by states, (iii) inability of the promoter to infuse equity and working capital, (iv) tariff related disputes, (v) issues related to banks, and (vi) delays in project implementation leading to cost overruns.

The stress in power sector has been acknowledged and various efforts/initiatives are being taken to resolve the aforementioned stress in the sector. SBI led group of bankers proposed the Scheme of Asset Management and Debt Change Structure (SAMADHAN). 12 thermal power projects have been identified under this scheme. REC - PFC has proposed PARIVARTAN Scheme for housing of identified assets under an asset management and rehabilitation company which shall be jointly owned by financial institutions. Further, a Committee of Bankers has proposed the SASHAKT scheme for resolution of stress assets including the stressed power projects. Under the above various schemes, majority shareholding in the Borrower is proposed to be bid out to a AMC/Strategic Investor/ Alternate Investment Fund, etc and these assets are proposed to be hold for a minimum period of some time post this lock in period, it may exit entity by way of equity sale at better valuation. Also, Govt. of India has formed a committee to tackle the stress in the power sector

headed by Cabinet Secretary and shall include Officials from Ministry of power, railways, coal and finance. Some of PFS projects under stress may be covered under one or more above schemes.

4. Outlook

The Indian economy is under a transformational changes led by the Union Government. The power sector has always been the lifeline of the economy and is one of the prime drivers of economic growth and social development. The development of power sector has been given due importance in the national planning and resource allocation process. The private participation in the sector is continuously increasing, thereby indicating confidence and support. The sector is receiving attention at the topmost level and as a result of persistent efforts, Moody's has upgraded the outlook for India's power sector to stable from negative. The total installed capacity in the country crossed the 343 GW mark as at 31st March 2018.

The renewable power sector saw record capacity additions during FY2018. The total generation capacity addition in respect of renewable projects aggregated to about 12 GW during FY2018 surpassing the capacity addition in thermal sector. The renewable capacity is poised to see further capacity additions in line with the Government's vision of installed capacity of 227GW by 2022.

In addition to renewable sector, other areas such as power transmission, roads and highways, ports etc. are also witnessing action. Infrastructure sector is the key driver for the economy and possesses the potential for propelling overall development of the country. The sector continues to enjoy focus from Government both in terms of policy related initiatives and development of infrastructure in the country. New projects are being undertaken and government is poised to ensure all round development of the infrastructure sector of the country.

PFS now focuses on attractive opportunities across the infrastructure sector especially the renewable energy projects, road projects based on hybrid annuity model, ports and infra logistic etc.. The aggregate debt sanctioned by the Company has crossed ₹ 23,000 crore mark and the outstanding portfolio (fund based and non-fund based) has crossed ₹14,000 crore mark as at 31st March 2018. Considering the issues emerged in thermal sector, PFS as conservative approach, has not taken further exposure in thermal generation projects and have significantly diversified into Renewable energy portfolio and in other infra sectors such as Road and ports through calibrated approach. As on 31st March 2018, the overall sanction exposure into Renewable projects is about 55% and sanction in other infra it is about 15%. Further during the FY 17-18, PFS has sanctioned about 23% of its portfolio in other infra sector including transmission, Road, ports and Railway.

PFS believes that the infrastructure development and renewable energy area offers good potential and the Company continues to evaluate business proposals for projects in these areas in line with the developments and the initiatives undertaken at the Government level. PFS, is devoted to meet the challenges to take advantages of the potential opportunities. The Company is focused on attractive opportunities across the infrastructure sector. The Company expects the growth momentum to continue. The debt commitments and disbursements have been robust during the year, thereby maintaining the increasing trend.

The power and infrastructure sector is witnessing stress and several projects in the country (both operational and under construction) are facing challenges. The Company is continuously engaged in resolution of such loans and is working proactively with the consortium members. Regular lenders' meetings are conducted, detailed feedback obtained from lenders' independent engineers and financial advisors to see that project development activities may be continued unhindered. Discussions are held with promoters' and other stakeholders to work out a financially viable solution. The Company also engages consultants / professional agencies for working out effective solution / resolution for such cases. The

Company continues to partner with credible players in the industry who can help all the stakeholders to benefit mutually.

26. Risk Management Policy

PFS has put in place a comprehensive policy framework for management of risks, which includes the followings:-

- Risk Management Policy: - The Risk Management Framework of PFS encompasses credit risk, market risk, as well as operational risk management. The Risk Management Policy, evolved under the guidance of Risk Management Committee and duly approved by Board of Directors, is refined periodically based on emerging market trends and own experience. The Risk Management Committee is headed by Independent Director.

- Asset Liability Management Policy :- The objectives of Asset Liability Management Policy are to align market risk management with overall strategic objectives, articulate current interest rate view and determine pricing, mix and maturity profile of assets and liabilities. The asset liability management policy involves preparation and analysis of liquidity gap reports and ensuring preventive and corrective measures. It also addresses the interest rate risk by providing for duration gap analysis and control by providing limits to the gaps.
- Foreign Exchange Risk Management Policy: - The policy covers the management of foreign exchange risk related to existing and future foreign currency loans or any other foreign exchange risks derived from borrowing and lending. The objective of the policy is to serve as a guideline for transactions to be undertaken for hedging of foreign exchange related risks. It also provides guiding parameters within which the Asset Liability Management Committee can take decisions for managing the above mentioned risks.
- Interest Rate Policy: - Interest rate policy provides for risk based pricing of the debt financing by the Company. It provides the basis of pricing the debt and the manner in which it can be structured to manage credit risk, interest rate risk and liquidity risk, while remaining competitive.
- Policy for Investment of Surplus Funds: - The policy of investment of surplus funds i.e. treasury policy provides the framework for managing investment of surplus funds. Realizing that the purpose of mobilization of resources in the Company is to finance equity as well as loans to power sector projects, the prime focus is to deploy surplus funds with a view to ensure that the capital is not eroded and that surplus funds earn optimal returns.
- Operational Risk Management Policy: - The operational risk management policy recognizes the need to understand the operational risks in general and those in specific activities of the Company. Operational risk management is not understood as a process of eliminating such risk but as a systematic approach to manage such risk. It seeks to standardize the process of identifying new risks and designing appropriate controls for these risks, minimize losses and customer dissatisfaction due to possible failure in processes.

REPORT ON CORPORATE GOVERNANCE

1. Company's philosophy on Corporate Governance

Corporate Governance is an ethically driven business process that is committed to values and conduct aimed at enhancing an organization's wealth generating capacity. This is ensured by taking ethical business decisions and conducting the business with a firm commitment to values, while meeting stakeholders' expectations. Good governance practices stem from the culture and mindset of the organisation and at PTC India Financial Services Limited ("PFS" or "the Company") we are committed to meet the aspirations of all our stakeholders and believes in adopting best corporate practices for ethical conduct of business. This is demonstrated in shareholder returns, high credit ratings, governance processes and focused work environment. The essence of Corporate Governance lies in promoting and maintaining integrity, transparency and accountability in the management's higher echelons. The demands of corporate governance require professionals to raise their competence and capability levels to meet the expectations in managing the enterprise and its resources effectively with the highest standards of ethics.

The Company has adopted a Code of Conduct for its employees including Directors. Apart from the performance evaluation of regular employees, PFS has formed the Performance evaluation mechanism for its Executive and Non- Executive Directors which suitably incorporates the duties of Independent Directors as laid down in the Companies Act, 2013 ("the Act"). These codes are available on the Company's website. PFS has also established a mechanism called 'Whistle Blower Policy' for employees to report to the management instances of unethical behaviour, actual or suspected, fraud or violation of the Company's code of conduct or ethics policy.

The spirit of governance of the Company is derived from this philosophy and has been articulated through the Company's various policies. At PFS, we are committed to meet the aspirations of all our stakeholders. As a financial institution, PFS has to regularly pursue businesses that maximise returns while effectively managing the inherent risks. Decision making and execution is driven by its governance structure, ethics and value systems. Corporate Governance ensures transparency and accountability. Corporate Governance also has broader social and institutional dimensions. Properly designed rules of governance focus on implementing the values of fairness, transparency, accountability and responsibility to all the stakeholders.

The Company is in compliance with the requirements stipulated under regulation 17 to 27 read with para C and D of Schedule V and clauses (b) to (i) to Sub-Regulation (2) of Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("LODR" or "SEBI Listing Regulations") with regard to Corporate Governance. PFS is committed to achieve the best standards of Corporate Governance. The Company has built up a strong foundation for making Corporate Governance a way of life by having an independent Board with experts of eminence, forming a core team of top level executives, inducting competent professionals across the organization and putting in place best systems and processes. Going beyond, PFS has endeavoured to regulatory and legal compliances and adopt practices of high level of business ethics.

MANAGEMENT DISCUSSION AND ANALYSIS

Industry Scenario

India continues to be the fastest growing emerging market economies in the world, driven by key structural reforms and further reduction in external vulnerabilities. Government of India has retained its focus on fiscal consolidation and implementing structural reforms for further growth in Infrastructure sector in general. India emerges as one of the world's most attractive markets for global companies in the infrastructure business. Power is one of the most important drivers of growth in an economy. The power sector in the country has seen transformational growth in the last four years with addition of generation capacity primarily through focus on solar and wind energy with policy initiatives of the Government, massive investments towards modernization of transmission capacity and distribution networks, electrifying villages and extending power to all households. Power will remain as one of the most important components of infrastructure, crucial for economic growth and welfare wherein country is having fifth largest power generation capacity in the world and now ranks third in terms of globally electricity production. Electricity production in country reached 1,201.543 Billion Units (BU) during FY18. The Government of India has been supportive to growth in the power sector which is undergoing a significant change that has redefined the industry outlook. The Government of India's focus on attaining 'Power for all' has accelerated the capacity addition and at the same time, the competition is increasing.

India economic development is being recognised globally. Moody's has upgraded the outlook for India's power sector to stable from negative in view of surge in domestic coal production and likely improvement in discoms' financial health due to UDAY scheme. The outlook has been changed since the increased domestic production of coal is expected to ease constraints on fuel supply. It is also expected that debt restructuring of the discom UDAY scheme will improve their financial capacity to make timely payments to power generators. Under UDAY, high loss making states like UP, Rajasthan and Tamilnadu have cut their losses and overall DISCOM losses reduced by 22% year-on-year basis. The Central Government has accelerated the development of power transmission networks to meet the rising electricity demand from various parts of the country. The Government's commitment to turnaround the sector seems to be yielding results. The Indian power sector continues to be highly diversified with the sources of electricity generation ranging from conventional sources such as coal, lignite, hydro and nuclear to non-conventional sources such as wind, solar and biomass. The renewable energy sector continues to attract significant investments and commitments. The sector possesses huge investment potential, providing immense opportunities in generation, distribution, transmission, equipment manufacturing etc. The Indian economy is expected to undergo a transformational change and the power sector is expected to play a critical role in this mega change.

According to the Standing Committee on Energy, there are 40,000 MW stressed power projects across 34 projects with an outstanding debt of ₹ 1.8 lakh crores of stress, 17 projects are affected because of coal linkage. At least 34 thermal power projects with an aggregate capacity of around 40 GW have turned into stressed assets. Major reasons for the financial stress in these thermal power projects include: (i) non-availability of fuel (coal), (ii) lack of enough power purchase agreements (PPAs) by states, (iii) inability of the promoter to infuse equity and working capital, (iv) tariff related disputes, (v) issues related to banks, and (vi) delays in project implementation leading to cost overruns. The stress in power sector has been acknowledged and various efforts/initiatives are being taken by Banks/ FIs to resolve the aforementioned stress in the sector. Also, Govt of India has formed a committee to tackle the stress in the power sector which shall be headed by Cabinet Secretary and shall include Officials from Ministry of power, railways, coal and finance. Under the above various schemes, majority shareholding in the Borrower is proposed to be bid out to a AMC/Strategic Investor/ Alternate Investment Fund, etc and these assets are proposed to be hold for a minimum period of sometime post this lock in period, it may exit entity by way of equity sale at better valuation. Some of PFS projects under stress may be covered under one or more above schemes.

Financial and Operational Performance

The loan book size increased by 21% in the FY 2017-18 to ₹ 128,163.70 million from ₹ 106,097.80 million in FY 2016-17. Together with the non-fund base portfolio, the total portfolio exceeds ₹ 143,000 million. The operational performance in FY 2017-18 has been affected due to higher provisions/ non recognition of interest on stressed/ NPA loan accounts. The interest income remained almost at the same level in the FY 2017-18 at ₹ 11,127.45 million as compared to ₹ 11,136.92 million during FY 2016-17. Other income includes ₹ 1,472.63 million arising as dividend income/ profit from sale of equity investment made during the FY 2016-17 as compared to Nil for FY 2017-18. Increase in finance charges is due to increase in portfolio size and also includes amortization of foreign currency translation aggregating to ₹ 76.24 million as compared to ₹ 144.08 million during FY 2016-17. Other expenses amounting to ₹ 405.20 million during FY 2017-18 constitute 3.64% of interest income and 0.32% of loan book as compared to ₹ 359.39 million for FY 2016-17 which constituted 3.22% of interest income and 0.34% of loan book in respective previous FY 2016-17. Fee based income has declined from ₹ 849.11 million in FY 2016-17 to ₹ 723.23 million in FY 2017-18. Provision and contingencies (including diminution of equity investments) has been increased to ₹ 3,621.16 million in FY 2017-18 from ₹ 1,425.67 million in FY 2016-17. The overall yield on loan assets for FY 2017-18 stood at 10.29% compared to 12.10% in FY 2016-17, whereas cost of borrowed funds reduced to 8.18% during FY2017-18 compared to 8.79% in FY 2016-17, leaving spread of 2.11% for FY 2017-18 compared to 3.31% in FY 2016-17.

The profit before tax (PBT) for FY2017-18 stood at ₹ 1,049.39 million compared to ₹ 5,286.81 million during FY 2016-17. The profit after tax (PAT) for FY 2017-18 stood at ₹ 247.05 million. However, if neutralized for impact of stressed assets the adjusted Net Interest Income for the FY 2017-18, would have been ₹ 5,178.25 million, and adjusted net profit after tax would have been ₹ 3,453.30 million as against ₹ 247.05 million. Adjusted for the impact of stressed loan assets, Yield and Spread for FY 2017-18 stood at 11.03% and 2.85% respectively compared to Yield and Spread of 12.11% and 3.31% during FY 2016-17 respectively.

During the year, PFS Gross NPA has increased from ₹ 5,847.90 million to ₹ 8,383.79 million and net NPA from ₹ 3,935.07 million to ₹ 5,192.66 million and as on FY 2017-18, Gross NPA as a % to gross advances was 6.54% and Net NPA as a % to net advances was 4.16% as compared to 5.51% and 3.78% respectively for FY 2016-17. The most of the NPA accounts belong to the thermal and large hydro project. The approach of PFS is to progressively reduce the NPA level by resolution through measures like sale to new investor or ARC/reference to NCLT/or through resolution plan under Samadhan/ Sashakt Scheme. Case by case approach towards resolution is being pursued by PFS. A special team has been set up to deal with and find resolution of stressed assets. In the current financial year PFS has focused sanction mainly to the promoter having satisfactory track record with PFS.

The portfolio of PFS continues to record CAGR of 25% and achieved so by changing gears well in time from financing thermal generation projects to renewable sector, and also incremental exposure in phased and prudent manner to mix sector like roads, ports, transmission and infrastructural logistics projects. Incrementally sanctions to these sectors have been ₹ 18,349.10 million which is 22.24% of the total sanction in the FY 2017-18. Incremental sanction to thermal projects in last five years has been minimal, reducing share of thermal to 11% in the total portfolio from 49%. PFS sanctioned financial assistance to 192 projects of wind & solar amounting to ₹ 2,33,004 million and loan outstanding at the end of FY 2017-18 is ₹ 73,239 million. Out of the 90 live projects in solar and wind sector, 79 projects are operational. Further, two wind projects aggregating to ₹ 714.5 million which comes to 0.56% of outstanding loan in wind projects and which are in the advance stage of resolution. None of the 58 solar projects in the books of PFS as on March 31, 2018, is in the category of NPA.

For ensuring robust quality of the portfolio, PFS will continue to strengthen its credit appraisal process and risk management function, while further enhancing the project monitoring function for early identification of stress in assisted

projects.

The Company has complied with all the norms prescribed by the Reserve Bank of India including the Fair Practices, AML/CFT & Know Your Customer (KYC) guidelines and also all mandatory accounting standards notified by the Central Government under the Companies (Accounting Standards) Rules, 2006.

Risk Management

Risk management is a central part of PFS' strategic management. Being a financial institution, the Company is exposed to risks that are particular to its lending and investment activities and the environment within which it operates. The essential functions of risk management are to identify measure and more importantly monitor the risk profile of PFS. Risk Management system is the pro-active action in the present for the future. PFS' goal in risk management is to ensure that it understands, measures and monitors various risks that arise and that the organization adheres to the policies and procedures which are established to address these risks. The process of risk management involves the tools and systems capable of screening, assessing, monitoring and managing risk exposures in a systematic manner. In line with the international best practises, Risk Management Group is structured to operate independently from the business group

Though the Board has the overall responsibility of risk management, there are two committees of the Board which take care of managing overall risk in the organization. In accordance with the RBI guidelines to enable NBFCs to adopt best practices and greater transparency in their operations, the Board of Directors of the Company has constituted a Risk Management Committee to review risk management in relation to various risks, namely, market risk, credit risk, and operational risk, and an Asset Liability Management Committee (ALCO). ALCO takes care of the liquidity risk, interest rate risk and foreign currency risk. In assessment of risk of credit proposals, PFS follows a multilayer approach wherein the credit approval note prepared by appraisal officers along with an independent internal rating is reviewed by an independent risk management team. The rating as well as approval note is further reviewed by Whole time Directors before being presented to the MD&CEO, and approving authority.

PFS has engaged well known and experienced consulting firms to support in the development of Risk Management Framework as well as to provide continuous support for the sound organisational wide integrated risk management practices.

Risk Management Policies

PFS has put in place a comprehensive policy framework for management of risks. The policies include -

The Risk Management Framework of PFS encompasses credit risk, market risk, as well as operational risk management. The Risk Management Policy, evolved under the guidance of Risk Management Committee and duly approved by Board of Directors, is refined periodically based on emerging market trends and own experience. The Risk Management Committee is headed by Independent Director.

Asset Liability Management Policy

The objectives of Asset Liability Management Policy are to align market risk management with overall strategic objectives, articulate current interest rate view and determine pricing, mix and maturity profile of assets and liabilities. Asset Liability Management (ALM) is a strategic process to manage the risks in balance sheet. PFS, being a finance company, is exposed to risks arising out of cash flow mismatches, interest rate mismatches and currency mismatches. ALM Policy provides a framework for defining, measuring and limiting such mismatches in a prudential manner. The asset liability management policy involves preparation and analysis of liquidity gap reports and ensuring preventive and corrective measures. It also addresses the interest rate risk by providing for duration gap analysis and control by providing limits to the gaps.

Foreign Exchange Risk Management Policy

The policy covers the management of foreign exchange risk related to existing

and future foreign currency loans or any other foreign exchange risks derived from borrowing and lending. The objective of the policy is to serve as a guideline for transactions to be undertaken for hedging of foreign exchange related risks. It also provides guiding parameters within which the Asset Liability Management Committee can take decisions for managing the above mentioned risks. This policy is primarily directed towards reducing the impact of volatility in exchange rates on PFS's balance sheet through actively managing its foreign exchange risk exposures and putting in place a risk management framework to achieve the same.

Interest Rate Policy

Interest rate policy provides for risk based pricing of the debt financing by the Company. It provides the basis of pricing the debt and the manner in which it can be structured to manage credit risk, interest rate risk and liquidity risk, while remaining competitive.

Policy for Investment of Surplus Funds

The policy of investment of surplus funds i.e. treasury policy provides the framework for managing investment of surplus funds. Realizing that the purpose of mobilization of resources in the Company is to finance equity as well as loans to power sector projects, the prime focus is to deploy surplus funds with a view to ensure that the capital is not eroded and that surplus funds earn optimal returns.

Apart from these policies there are various guidelines to help understand and mitigate different kinds of other risks. These include Operational Policy, Business Continuity Policy and the like.

Monitoring Mechanism

To monitor the status of funded projects, a robust monitoring mechanism has been put in place. The projects are monitored by a separate Monitoring team. Further, a detailed status report on investments is presented periodically in the Audit Committee/ Board of Directors meeting of PFS. Further, through early warning signal system, critical parameters related to financial, technical, regulatory, management and other aspects of the projects are continuously monitored. A status report on both debt and equity projects is also presented to the Board of Directors of PFS periodically (at least quarterly) to ensure that directors are kept informed about the developments in the projects especially about any areas of concerns.

The power sector is witnessing stress and several projects in the country (both operational and under construction) are facing challenges. As at 31st March 2018, PFS has non-performing loans aggregating to ₹8,384 million, projects having aggregate loan outstanding of ₹8,544 million are under corrective action plan (SDR/ OSD) and standard restructured projects aggregating to ₹2,071 million. The Company is continuously engaged in resolution of such loans and is working proactively with the consortium members. Regular lenders' meetings are conducted, detailed feedback obtained from lenders' independent engineers and financial advisors to see that project development activities may be continued unhindered. Discussions are held with promoters' and other stakeholders to work out a financially viable solution. The Company also engages consultants / professional agencies for working out effective solution / resolution for such cases.

Outlook

The Indian economy is under a transformational changes led by the Union Government. The power sector has always been the lifeline of the economy and is one of the prime drivers of economic growth and social development. The development of power sector has been given due importance in the national planning and resource allocation process. The private participation in the sector is continuously increasing, thereby indicating confidence and support. The sector is receiving attention at the topmost level and as a result of persistent efforts, Moody's has upgraded the outlook for India's power sector to stable from negative. The total installed capacity in the country crossed the 343 GW mark as at 31st March 2018. Considering the issues emerged in thermal sector, PFS as conservative approach, has not taken further exposure in thermal generation

projects and have significantly diversified into Renewable energy portfolio and other infra sectors such as Road and ports where PFS has taken highly calibrated approach. As on 31st March 2018, the overall sanction exposure into Renewable projects is about 55% and in sanction other infra it is about 15%. Further during the FY 17-18, PFS has sanctioned about 22% of its portfolio in other infra sector including transmission, Road, ports and Railway.

The renewable power sector saw record capacity additions during FY2018. The total generation capacity addition in respect of renewable projects aggregated to about 12 GW during FY2018 surpassing the capacity addition in thermal sector. The renewable capacity is poised to see further capacity additions in line with the Government's vision of installed capacity of 227GW by 2022.

In addition to renewable sector, other areas such as power transmission, roads and highways, ports etc. are also witnessing action. Infrastructure sector is the key driver for the economy and possesses the potential for propelling overall development of the country. The sector continues to enjoy focus from Government both in terms of policy related initiatives and development of infrastructure in the country. New projects are being undertaken and government is poised to ensure all round development of the infrastructure sector of the country.

PFS now focuses on attractive opportunities across the infrastructure sector especially the renewable energy projects, road projects based on hybrid annuity model, ports and infra logistic etc. The aggregate debt sanctioned by the Company has crossed ₹ 23,000 crore mark and the outstanding portfolio (fund based and non-fund based) has crossed ₹14,000 crore mark as at 31st March 2018. Considering the issues emerged in thermal sector, PFS as conservative approach, has not taken further exposure in thermal generation projects and have significantly diversified into Renewable energy portfolio and in other infra sectors such as Road and ports through calibrated approach. As on 31st March 2018, the overall sanction exposure into Renewable projects is about 55% and sanction in other infra it is about 15%. Further during the FY 17-18, PFS has sanctioned about 22% of its portfolio in other infra sector including

transmission, Road, ports and Railway.

PFS believes that the infrastructure development and renewable energy area offers good potential and Company continues to evaluate these business proposals in these areas. The Company views the ongoing FY as year of consolidation and expects the balance growth momentum due to sectoral macro environment. The debt commitments and disbursements have been robust during the year, thereby maintaining the increasing trend.

POLICY ON DIVIDEND DISTRIBUTION

1. Introduction

The Securities Exchange Board of India (“SEBI”) on July 8, 2016 inserted Regulation 43A in SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, which requires top five hundred listed companies (based on market capitalization of every financial year) to formulate a Dividend Distribution Policy which shall be disclosed in their annual reports and on their websites.

PTC India Financial Services Limited (“PFS” or “Company”) being one of the top five hundred listed companies as per the market capitalization as on the last day of the immediately preceding financial year, frames this policy to comply with the requirements of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

2. Objectives & Scope

This Policy lays down the broad framework which will act as guiding principles for the purpose of declaring or recommending any dividend during or for any financial year by the Company.

The Policy aims at balancing the twin objectives of the growth of the Company and Shareholders’ value.

Through this Policy, the Company endeavours to bring a fair, transparent and consistent approach to its dividend pay-out plans. The Policy has been framed broadly in line with the provisions of the Companies Act, 2013 and also taking into consideration guidelines issued by SEBI/ RBI/and other regulations, to the extent applicable.

The Policy is a general declaration of intention and the actual declaration of dividend will require corporate action at the time a decision is taken, depending on the precise circumstances at that point of time.

In addition, payment of any such dividend will be subject to any restriction under applicable laws and regulation, the Articles of Association, available cash flows and capital requirements.

The Policy, however, is not an alternative to the decision of the Board for recommending dividend, which is made every year after taking into consideration all relevant circumstances enumerated hereunder or other factors as may be considered by the Board of Directors from time to time.

3. Definitions

3.1 “Act” shall mean the Companies Act, 2013 including the Rules made thereunder, as amended from time to time.

3.2. “Applicable Laws” shall mean the Companies Act, 2013 and Rules made thereunder, the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; as amended from time to time and such other act, rules or regulations which provides for the distribution of dividend.

3.3. “Company” shall mean PTC India Financial Services Limited

3.4. “Board” or “Board of Directors” shall mean Board of Directors of the Company.

3.5. “Dividend” shall mean Dividend as defined under Companies Act, 2013 and shall include interim dividend.

3.6. “Policy or this Policy” shall mean the Dividend Distribution Policy.

3.7. “SEBI Regulations” shall mean the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 together with the circulars issued thereunder, including any statutory modification(s) or re-enactment(s) thereof for the time being in force.

3.8. “RBI Regulations” means Reserve Bank of India Act, 1934 and various circulars, guidelines issued by Reserve Bank of India from time to time.

4. Relevant Statutory Provisions of the Companies Act, 2013 and Companies (Declaration and Payment of Dividend) Rules 2014 relating to Dividend

4.1 Dividend shall be declared or paid by company for any financial year:

- i) Out of the current year profit after providing depreciation.
- ii) Out of the previous years profit remaining undistributed and after providing for depreciation.
- iii) Out of both the above.

4.2 No Dividend shall be declared or paid by company from its reserves other than free reserves.

4.3 The Company may, before the declaration of any dividend in any financial year, transfer such percentage of its profits for that financial year as it may consider appropriate to the reserves of the company.

4.4 Company shall declare dividend after carried over previous losses and depreciation not provided, if any, in previous year or years are set off against profit of the company for the current year.

4.5 In case of losses or inadequate profits in any financial year, the Company can declare dividend out of the profits earned by it in previous years and transferred to the reserves subject to the following conditions:-

- i. The rate of dividend declared shall not exceed the average of the rates at which dividend was declared by it in the three years immediately preceding that year:

Provided that the above condition shall not apply in case the Company has not declared any dividend in each of the three preceding financial year.

- ii. The total amount to be drawn from such accumulated profits shall not exceed one-tenth of the sum of its paid-up share capital and free reserves as appearing in the latest audited financial statement.
- iii. The amount so drawn shall first be utilised to set off the losses incurred in the financial year in which dividend is declared before any dividend in respect of equity shares is declared.

The balance of reserves after such withdrawal shall not fall below fifteen per cent of company's paid up share capital as appearing in the latest audited financial statement

5. Circumstances under which the shareholders may or may not expect dividend:

The decision regarding dividend pay-out is a crucial decision as it determines the amount of profit to be distributed among shareholders of the Company and the amount of profit to be retained in business.

The Board will consider the factors mentioned under Clause 5 below and before determination of any dividend payout analyse the prospective opportunities and threats, viability of the option of dividend payout or retention etc. If the Board proposes that it is financially prudent not to recommend dividend, it may recommend no dividend, in that case, reason(s) thereof and information on utilization of the undistributed profit, if any, shall be disclosed to the shareholders in the Annual Report of the Company.

5. Parameters for declaration of Dividend

The Board of Directors will consider the following parameters for determining the quantum of dividend:

5.1 Financial Parameters

- Net profit after tax;
- Transfer of Statutory Reserve as per Reserve Bank of India Act, 1934
- Working Capital requirements;
- Capital expenditure requirements and alternative use of cash;
- Outstanding borrowings
- Available cash and cash flow requirement to meet any unforeseen events & contingencies/ group's capital requirements
- Dividend received by the company.
- Net worth of the company
- Dividend yield
- Dividend payout ratio.
- In case the dividend is paid out of the reserves, the balance of reserves after such withdrawal shall not fall below 25% of company's paid up share capital as appearing in the latest audited financial statement.

5.2 Developments in internal and external environment.

- Opportunities available for growth/expansion/ modernisation
- Past Dividend Trends
- Expectations of shareholders
- Prudential requirements
- Capital Markets
- Industry Conditions
- Customers and suppliers concentration and their financial health
- Market Capitalization
- Statutory Provisions and Guidelines;
- Policies of the Government (centre and state)
- Dividend Pay-out ratios of companies in same industries i.e. Peer Group Comparison
- Economic Environment

5.3 Any other factor as the Board may deem fit

6. Utilization of retained earnings

The Company is engaged into financing the infrastructure sector and the retained earnings are deployed in the long-term infrastructure loan assets. The

Board may retain its earnings in order to make better use of the available funds and increase the value of the stakeholders in the long run. The profit being retained in the business shall be continued to be deployed in its operations, expansion plans, investment plans etc. The Company stands committed to deliver sustainable value to all its stakeholders.

7. Provision with regard to various classes of shares

The holders of the equity shares of the Company, as on the record date, will be entitled to receive dividends. Since the Company has issued only one class of equity shares with equal voting rights, all the members of the Company shall be entitled to receive the same amount of dividend per share. The Policy shall be suitably revisited at the time of issue of any new class of shares depending upon the nature and guidelines thereof.

8. Timing of Dividend

8.1 Interim dividends, as and when decided by the Board, will be declared after considering the interim financial statements for the period for which interim dividends are declared along with factors mentioned in clause 4 & 5 above. Interim financial statements will be prepared considering working expenses, depreciation and anticipated losses, if any, for the full year.

8.2 Final dividends as and when approved at the Annual General Meeting (AGM) of the shareholders will be based on the recommendations of the Board based on review of audited financial statements for the year, factors mentioned in clause 4 & 5 above and considering interim dividend, if any, declared during the year.

8.3 In case no final dividend is declared, interim dividend, if any, will be regarded as final dividend in AGM.

9. Exclusions

This policy shall not cover the following

- Capitalizing of profits by way of bonus issue of fully or partly securities
- Declaration of dividend on preference shares (as and when issued), since the same will be governed by terms of issue of such shares
- Buyback of shares

10. Amendment(s):

- The Board will change/amend this Policy from time to time at its sole discretion and/or pursuant to any amendments made in the Companies Act, 2013 or any other Statutory Regulations.
- In case of any clarification(s), circular(s) etc. issued by the relevant authorities, not being inconsistent with the provisions laid down under this Policy, then this Policy shall be read along with such clarification(s), circular(s) so issued, from the effective date as laid down under such clarification(s), circular(s) etc. In case of any conflict in the Policy and regulatory provisions then regulatory provisions shall prevail.

11. Disclosures:

The Company shall disclose this Policy in its Annual Reports & website.

EFFECTIVE DATE The Policy shall become effective from the date of its adoption by the Board.

{Pursuant to Section 204(1) of the Companies Act, 2013 and

Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014}

To,
The Members,
PTC INDIA FINANCIAL SERVICES LIMITED.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by PTC INDIA FINANCIAL SERVICES LIMITED (hereinafter called PFS/the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the PFS's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial period ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and Compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by PFS ("the Company") for the financial year ended on 31st March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulation, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
- (vi) The Reserve Bank of India Act, 1934 and Regulations framed thereunder for Non-Banking Financial Companies
- (vii) Prevention of Money Laundering Act, 2002.

We have also examined compliance with the applicable clauses of the following:

- (a) Secretarial Standards, as amended from time to time, issued by the Institute of Company Secretaries of India. Generally complied with.
- (b) The Listing Agreement with National Stock Exchange of India Limited & BSE Limited and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observation:

1. *Compliance to proviso to Regulation 17 (1) (b) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 w.r.t. appointment of requisite no. of Independent Directors on the Board of the Company.*

We further report that the Board of Directors of the Company is not duly constituted in terms of proviso of Regulation 17(1) (b) of the Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as at least half of the Board of Directors should comprise of Independent Directors). However, the Company was compliant in terms of provisions under Section 149 (4) of the Companies Act, 2013 as out of 9 Board of Directors there were 3 Independent Directors on the Board of Company. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Generally, adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes, if any.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, there were no specific events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws.

SECTION E: PRINCIPLE WISE PERFORMANCE

Principle No.	Description	Response
P-1 Business should conduct and govern themselves with Ethics, Transparency and Accountability.		
1.1	Does the policy relating to ethics, bribery and corruption cover only the Company? Yes / No. Does it extend the group / joint ventures/ suppliers/ contractors/ NGOs/ others?	The Company has adopted the Code of Business Conduct and Ethics, governing conduct of the business of the Company in an ethical manner. Policies of the Company are aligned with those of the parent company i.e. ‘PTC India Limited’. It applies to the Directors, Key Managerial Personnel and Senior Management of the Company. The Company obtains an annual confirmation affirming compliance with the Code from the Directors, Key Managerial Personnel and Senior Management every year. The Company has also in place: <ul style="list-style-type: none"> Whistle Blower Policy: It provides an avenue for Directors and employees to inform about any wrongdoing in the Company and reassurance that they will be protected from victimization for whistle blowing. Code of Conduct for Prevention of Insider Trading: It prevents insider trading and protect price sensitive information. Further, PFS does not have any joint venture /suppliers/ contractors etc.
1.2	How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so provide the details thereof in about 50 words or so.	No complaints were received under the whistle blower policy. The details of the complaints of the investor are provided in the report on corporate governance. All complaints received during the year were dealt by the competent authority.
P-2 Business should provide goods and services that are safe and contribute to sustainability throughout their life cycle		
2.1	List upto 3 of your products whose design has incorporated social or environmental concerns, risks and / or opportunities.	PFS is a NBFC engaged in lending primarily in infrastructure and power sector with a view on sustainable lending and has established an ESMS (environmental and social management system) which assesses E&S risks associated with projects financed by PFS and stipulates conditions to mitigate adverse impacts. To further reduce carbon footprint from our operations, PFS on its balance sheet has commissioned a wind project of 6 MW in the state of Karnataka. PPA for the project has been signed with Karnataka Discom for 25 years. The energy generated by the wind project exceeds the electric energy consumption at our Delhi and Hyderabad office, thus offsetting the emissions from our operations/services. Additionally, PFS as part of its CSR initiatives have organized 28 day skill development programme on solar power for the underprivileged youth in Bhadla, Rajasthan. The trainees were trained to set up and maintain solar panels on rooftop as well as in solar park. Thus, creating positive social impact by enabling youth and creating employment opportunities.

2.2	For each such product, provide the following details in respect of resource use (energy, raw material etc.) per unit of product (optional): a. Reduction during the sourcing / production/ distribution achieved since the previous year throughout the value chain. b. Reduction during usage by consumers (energy, water) has been achieved since the previous year?	Not applicable directly, as PFS is not engaged in manufacturing business and only human resource is engaged by PFS to carry out its operations. Though, as part of sustainable lending PFS encourages its borrowers to follow IFC performance standards to ensure environmental and social sustainability which deals with the aspects of resource efficiency and conservation. Hence, indirectly contributing to resource conservation.																
2.3	Does the Company have procedures in place for sustainable sourcing (including transportation)? a. If yes, what percentage of your inputs was sourced sustainably? Also provide details thereof, in about 50 words or so.	Not applicable.																
2.4	Has the Company taken any steps to procure goods and services from local and small producers, including communities surrounding their place of work? a. If yes, what steps have been taken to improve their capacity and capability of local and small vendors?	Not applicable.																
2.5	Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also provide details thereof, in about 50 words or so.	Not applicable as PFS is not into product manufacturing, thus recycling is not applicable to us. E-waste generated from our operations is handed over to CPCB (Central Pollution Control Board) certified vendors.

P- 4 Business should respect the interest of and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalised																		
4.1	Has the Company mapped its internal and external stakeholders?	Yes, stakeholders of the company have been mapped through a formal process of consultation. Key stakeholders identified by PFS are: <ul style="list-style-type: none"> Internal stakeholders (Employees) External Stakeholders (Borrowers, Lenders, Shareholders and PTC India (parent company)). 																

4.2	Out of the above, has the company identified the disadvantaged, vulnerable & marginalized stakeholders?	PFS has a sexual harassment policy in place. Moreover, there is a whistle blower policy whereby an employee with any grievance can raise the issue with the top management fearlessly. Further, as part of the CSR initiative, we engage with the disadvantaged, vulnerable & marginalized stakeholders
4.3	Are there any special initiatives taken by the Company to engage with the disadvantaged, vulnerable and marginalized stakeholders. If so, provide details, in about 50 words or so.	As part for our lending business we expect our borrowers to follow the IFC environmental and social performance standards, 2012 which supports projects that protects rights of indigenous people (marginalized and vulnerable group) and creates opportunities for their growth and resultantly provides benefits like employment through project related activities. Moreover, company through its CSR initiatives has engaged with disadvantaged, vulnerable and marginalized stakeholders. Details of major CSR initiatives have been elaborated below: <ul style="list-style-type: none"> As proposed in the previous financial year, PFS in FY 2017-18 organized a 28 day skill development programme for the underprivileged youth in Bhadla, a remote location at Jodhpur, Rajasthan. Bhadla is the largest solar park in the country. The underprivileged youth at Bhadla were trained to set up and maintain solar panels on roof tops as well as in the solar park. This training was conducted in partnership with NTPI (National Power Training Institute). PFS partnered with its parent company PTC India in the cleanliness drive in Bhikaji Cama Place under the <i>Swachh Bharat Abhiyan</i>. The project was implemented by PTC foundation.
P-5 Business should respect and promote human rights		
5.1	Does the policy of the Company on human rights cover only the company or extend to the group / joint ventures / suppliers / contractors / NGOs / others.	Company believes in protecting the human rights of our people, recognizing their need for respect and dignity. We are committed to fair employment practices and freedom of expression, supported by a strong, company-wide value system. We provide every avenue to our workforce for voicing their opinion. PFS also has a well-defined Grievance Redressal Policy, which is applicable to all regular employees except for officers who are one step below the Board Level. During the FY 2017-18, the Company has given thrust to an organizational development programme and has been developing systems and processes that maximize human potential. The Company has developed a KRA/KPI based Performance Management System to link and measure individual performance with the organizational performance score card during the year. Our Company continuously invests in attraction, retention and development of talent on an ongoing basis. Company's thrust is on the promotion of talent internally through job rotation and job enhancement. Strong governance processes and stringent risk management policies are adhered to, in order to safeguard our stakeholders' interest. The Company also adheres to the highest levels of ethical business practices as articulated in the Code of Conduct and Ethics. A strong commitment to human rights is embedded in the Company's Code of Conduct and Ethics Policy which lays down acceptable behaviour on various aspects including human rights. This code is applicable for all employees, associates and business partners. It has been adopted by our parent company as well.
5.2	How many stakeholders complaints have been received in the past financial year and what percent was satisfactorily resolved by the management? Whistleblower Policy

1.0 Background

The Company believe in the conduct of the affairs of its constituents in a fair and transparent manner by adopting highest standards of professionalism, honesty, integrity and ethical behavior.

Clause 49 of the Listing Agreement between listed companies and the Stock Exchanges, inter alia, provides for a non-mandatory requirement for all listed companies to establish a mechanism called 'Whistle Blower Policy' for employees to report to the management instances of unethical behaviour, actual or suspected, fraud or violation of the Company's code of conduct or ethics policy.

'Whistle blowing' is the confidential disclosure by an individual of any concern encountered in the workplace relating to a perceived wrongdoing.

The Whistle blower's role is that of a reporting party with reliable information. Protected Disclosure will be appropriately dealt by Audit Committee, as the case may be.

The terms such as 'Company', 'Audit Committee' and 'Board of Directors' refer to the relevant Company, Committee or Board of the Group Company adopting the policy, unless specified. The definitions of some key terms used in this Policy are mentioned below:

- A. "Audit Committee" means the Committee constituted by the Board of Directors of the Company in accordance with the Companies Act and read with Clause 49 of the Listing Agreement with the Stock Exchange.
- B. "Employee" means every employee of the Company, including the whole time Directors of the Company.
- C. "Protected Disclosure" means any communication made in good faith that discloses or demonstrates in formation that may evidence unethical or improper activity.
- D. "Whistle blower" means any Employee making a Protected Disclosure under this Policy.
- E. "Ombuds person" or "Nodal Officer" for the purpose of receiving all complaints under this Policy and ensuring appropriate action.

2.0 Policy Objective

The policy has been framed to enforce controls so as to provide a system of detection, reporting, prevention and appropriate dealing of issues relating to fraud, unethical behavior etc. The policy aims to ensure that:-

- A. Management is aware of its responsibility for the detection and prevention of fraud, misappropriations, and other inappropriate conduct. The Management is to ensure that procedures and systems exist in the Corporation which minimize the incidence of, and opportunity for fraud and irregularities.
- B. Any fraud / unethical issue that are detected or suspected must be reported immediately to the designated authority for the purpose of co-ordination of preliminary investigation.
- C. To encourage all employees to feel confident in raising concerns and to question and act upon concerns about practice.
- D. To ensure that an employee receives a response to his concerns and that the employee is aware of how to pursue them if he/she is not satisfied.

3.0 Types of Concern

- A. Forgery or alteration of any document or account belonging to the Company.
- B. Sexual or physical abuse
- C. Willful suppression of facts/ deception in matters of appointments, placements, ten de-committee recommendations, entity and project appraisal, submission of reports, etc. as a result of which a wrongful gain(s) is made to one and /or wrongful loss(s) is caused to the others.
- D. Utilizing Company assets/ funds/ services for personal purposes other than those which have specifically provided for personal purposes.
- E. Authorizing or receiving payments for goods not supplied or services not rendered.
- F. Destruction, disposition, removal of records or any other assets of the Corporation with an ulterior motive to manipulate and misrepresent the facts so as to create suspicion/ suppression/ cheating as a result of which objective assessment/ decision would not be arrived at.
- G. Impropriety in the handling or reporting of money or financial transactions.
- H. Profiteering as a result of insider knowledge of company activities.
- I. Disclosing confidential and proprietary information to outside parties.
- J. Accepting or seeking anything of material value from contractors, vendors, lenders, borrower and persons providing services/materials to the company in contravention of Company's Conduct, Discipline and Appeal Rules.
- K. Conduct which is an offence or a breach of law.
- L. Other unethical conduct like gross misconduct, general malpractices etc.

The Competent Authority will not tolerate any harassment or victimization (including informal pressures) and will take appropriate action.

4.0 Confidentiality

All concerns will be treated in confidence and every effort will be made not to reveal the Whistle blower's identity. At the appropriate time, however, the Whistle blower might need to come forward as a witness.

Please note that:

- A. An employee must believe the disclosure of information is in the interest of the Company / its stakeholders /public.
- B. Staff must not act maliciously or make false allegations.
- C. Staff must not seek any personal gain.

5.0 Voicing Concerns

- 5.1 This essentially means that boards expect their internal audit functions to identify issues before they become a major problem for the company.
- 5.2 They expect internal auditors to take appropriate actions to mitigate them and provide assurance that they pose no immediate or serious danger.
- 5.3 The Ombudsperson / Nodal officer shall be nominated by the Chairman of the Audit Committee. The Company may adopt either of the following two alternatives for addressing the whistle blower issues:

I. Alternative-1

1. Whistle blower should give the detailed report/complaint to the Ombudsperson/ Nodal officer.
2. Report/Complaint would then be screened by the Nodal officer who would forward the report/complaint to the Chairman of Audit Committee. Report/Complaint would finally be reviewed by the Chairman of Audit Committee.
3. All complaints would be recorded regardless of the context it held.
4. Nodal officer would apprise the Audit committee on regular intervals about all the complaints received.
5. If the whistle blower believes that there is a conflict of interest between the Nodal Officer/Ombudsman and the whistle blower, he/she may send his protected disclosure directly to the Chairman, Audit Committee.

6. The reports shall first be forwarded to the Chairman of Audit Committee by the ombuds person. On submission of report, the Audit Committee Chairman may discuss the matter with Ombuds person who shall on advice of the Chairman, may refer the matter before the Audit Committee and/or Board (the option to forward it to Audit Committee or Board shall be suggested by the Audit Committee Chairman) with his/her recommendations. The Audit Committee and/or the Board shall decide on the matter.

II. Alternative-2

1. A "Whistle Blower Committee" may be constituted consisting of senior officials to conduct an investigation in the matters of protected disclosure received by company.
2. A report shall be prepared after completion of investigation and shall be submitted along with recommendations to the Managing Director for action, after providing reasonable opportunity of being heard to all associated individuals.
3. It is further proposed that the protected disclosures be addressed to the ombuds person / nodal officer nominated.
4. The protected disclosure against the ombuds person / nodal officer should be addressed to the Managing Director & CEO of the Company
5. The Protected Disclosure against the Managing Director & CEO should be addressed to the Chairman of the Audit Committee.
6. All complaints would be recorded regardless of the context it held.

- 6.4 In case the disclosure made by the whistle blower found to be malafide, frivolous, baseless then the disclosure would not be entertained. Details of the complaints would be recorded & maintained for a term of 5 years or even extended period (for specific complaints) as may be decided by Chairman of Audit Committee.

- 6.5 Detailed written record of the protected disclosure will include

- a. findings of Ombuds person / Nodal officer's;
- b. There commendations of the Ombuds person whether disciplinary/other action(s).

Note: PFS has adopted Alternative-1 provided in the policy and Company Secretary had been appointed as Nodal Officer.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PTC INDIA FINANCIAL SERVICES LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of PTC INDIA FINANCIAL SERVICES LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended ("Accounting Standards"), and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Accounting Standards and other accounting

principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under section 133 of the Act.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of PTC INDIA FINANCIAL SERVICES LIMITED (“the Company”) as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on “the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

PTC India Financial Services Limited

Notes forming part of the financial statements

1. Corporate information

PTC India Financial Services Limited ("PFS") is a registered NBFC with Reserve Bank of India and has been awarded the Infrastructure Finance Company (IFC) status by RBI. PFS is set up with an objective to provide total financing solutions to the energy value chain which includes investing in equity or extending debt to power projects in generation, transmission, distribution, fuel resources and fuel related infrastructure.

2. Significant accounting policies

2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, as applicable, and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year/ period. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialize.

2.3 Cash flow statement

Cash flows are reported using the indirect method, whereby profit before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.4 Depreciation and amortisation

Depreciable amount of assets is the cost of an asset, or another amount substituted for cost, less its estimated residual value.

Depreciation has been provided on a pro-rata basis from the day the assets are put to use at written down value as per the useful life prescribed in Part C to Schedule II of the Companies Act, 2013 except for leasehold improvements depreciated on straight line basis over a period of 5 year and assets costing less than ₹ 5,000 each which are fully depreciated in the year of capitalisation.

Intangible assets comprising of software are amortized on a straight line method over their estimated useful life not exceeding five years.

2.5 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. In addition, the following criteria must also be met before revenue is recognised:

- Interest and other dues are accounted on accrual basis except in the case of non-performing loans where it is recognized upon realization, as per the income recognition and asset classification norms prescribed by the RBI.
- Fee based incomes are recognised when reasonable right of recovery is established and the revenue can be reliably measured.
- Dividend is accounted when the right to receive is established.
- Revenue from power supply is accounted on accrual basis.

2.6 Fixed Assets (Tangible / Intangible)

Fixed assets are carried at cost less accumulated depreciation / amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses. Subsequent expenditure on fixed assets after its purchase / completion is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Capital work-in-progress:

Projects under which fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.7 Foreign currency transactions and translations

Initial recognition

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction.

Measurement of foreign currency monetary items at the Balance Sheet date

Foreign currency monetary items (other than derivative contracts) of the Company outstanding at the Balance Sheet date are restated at the year-end/period-end rates.

Treatment of exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

The exchange differences arising on settlement / restatement of long-term foreign currency monetary items are amortized on settlement/ over the maturity period thereof. The unamortized exchange difference is carried in the Balance Sheet as "Foreign currency monetary item translation difference account" net of the tax effect thereon, where applicable.

Accounting of forward contracts

Premium / discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortized over the period of the contracts if such contracts relate to monetary items as at the Balance Sheet date.

2.8 Investments

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Costs of investments include acquisition charges such as brokerage, fees and duties.

2.9 Employee benefits

Employee benefits include provident fund, gratuity, compensated absences and post-retirement medical benefits, etc.

Defined contribution plans

The Company's contribution to provident fund is considered as defined contribution plan and is charged as an expense as it falls due based on the amount of contribution required to be made.

Defined benefit plans

For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the period when the employees render the service.

Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

2.10 Borrowing costs

Borrowing costs include interest, commitment charges and other related costs. Borrowing costs to the extent not directly related to the acquisition of qualifying assets are charged to the statement of profit and loss over the tenure of the loan.

2.11 Leases

Assets leased by the Company in its capacity as a lessee, where substantially all the risks and rewards of ownership vest in the Company are classified as finance leases. Such leases are capitalized at the inception of the lease at the lower of the fair value and the present value of the minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss.

2.12 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

2.13 Taxes on income

Current tax is the amount of tax payable on the taxable income for the period as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward of losses only to the extent that reasonable certainty exists that sufficient future taxable income will

be available against which these can be realized. However, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realize the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

2.14 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the notes forming part of the financial statements. Contingent assets are not recognised in the financial statements.

Contingent provision against standard assets represents a general provision at 0.50% of the outstanding standard assets and provision against restructured loans, in accordance with the RBI guidelines. In addition, the Company also maintains additional provision based on the assessment of portfolio including provision against stressed assets.

2.15 Derivative contracts

The Company enters into derivative contracts in the nature of foreign currency swaps, currency options, forward contracts with an intention to hedge its existing assets and liabilities, firm commitments and highly probable transactions in foreign currency. Derivative contracts which are closely linked to the existing assets and liabilities are accounted as per the policy stated for Foreign currency transactions and translations.

2.16 Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PTC INDIA FINANCIAL SERVICES LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **PTC INDIA FINANCIAL SERVICES LIMITED** (hereinafter referred to as "the Holding Company") and its associates, comprising of the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Holding Company including its Associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended ("Accounting Standards"), and other accounting principles generally accepted in India. The respective Board of Directors of the Holding Company and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Holding Company and its associates and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a

true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us read together with matter referred in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Holding Company and its associates as at March 31, 2018, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matter

Attention is invited to Note 35 b of the consolidated financial statements, which sets out the position regarding 2 Associates of the Company for which neither audited nor management accounts for the financial year ended March 31, 2018 were available with the Company for the consolidation purposes. However, since the Company has fully provided for diminution in investment held in these associates and the Company does not have any further obligation over and above the cost of the investments, in the view of the management there is no impact thereof on these consolidated financial statements.

Our opinion on the consolidated financial statements is not modified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit of the Holding Company, (in the absence of availability of audit reports of the 2 associates referred to in 'Other Matter' paragraph above) we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2018 taken on record by the Board

- of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our Report in "Annexure A", which is based on the auditors' reports of the Holding company. Our report expresses an unmodified opinion on the operating effectiveness of the Holding company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Holding Company. Refer Note 27 of the consolidated financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of PTC INDIA FINANCIAL SERVICES LIMITED (“the Holding Company”) as of March 31, 2018 in conjunction with our audit of the consolidated financial statements of the Holding Company and its associates for the year ended on that date. Since the auditors’ reports of associates are not available, we are unable to comment on the adequacy and operating effectiveness of Internal Financial Controls over Financial Reporting under section 143(3)(i) of the Act in respect of these associates.

Management’s Responsibility for Internal Financial Controls

The Holding Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Holding Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Holding Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on “the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

PTC India Financial Services Limited

Notes forming part of the Consolidated financial statements

1. Corporate information

PTC India Financial Services Limited ("PFS") is a registered NBFC with Reserve Bank of India and has been awarded the Infrastructure Finance Company (IFC) status by RBI. PFS is set up with an objective to provide total financing solutions to the energy value chain which includes investing in equity or extending debt to power projects in generation, transmission, distribution, fuel resources and fuel related infrastructure.

2. Significant accounting policies

2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, as applicable, and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year/ period. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialize.

2.3 Cash flow statement

Cash flows are reported using the indirect method, whereby profit before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.4 Depreciation and amortisation

Depreciable amount of assets is the cost of an asset, or another amount substituted for cost, less its estimated residual value. Depreciation has been provided on a pro-rata basis from the day the assets are put to use at written down value as per the useful life prescribed in Part C to Schedule II of the Companies Act, 2013 except for leasehold improvements depreciated on straight line basis over a period of 5 year and assets costing less than Rs. 5,000 each which are fully depreciated in the year of capitalisation.

Intangible assets comprising of software are amortized on a straight line method over their estimated useful life not exceeding five years.

2.5 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. In addition, the following criteria must also be met before revenue is recognised:

- Interest and other dues are accounted on accrual basis except in the case of non-performing loans where it is recognized upon realization, as per the income recognition and asset classification norms prescribed by the RBI.
- Fee based incomes are recognised when reasonable right of recovery is established and the revenue can be reliably measured.
- Dividend is accounted when the right to receive is established.
- Revenue from power supply is accounted on accrual basis.

2.6 Fixed Assets (Tangible / Intangible)

Fixed assets are carried at cost less accumulated depreciation / amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses. Subsequent expenditure on fixed assets after its purchase / completion is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Capital work-in-progress:

Projects under which fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.7 Foreign currency transactions and translations

Initial recognition

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction.

Measurement of foreign currency monetary items at the Balance Sheet date

Foreign currency monetary items (other than derivative contracts) of the Company outstanding at the Balance Sheet date are restated at the year-end/period-end rates.

Treatment of exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

The exchange differences arising on settlement / restatement of long-term foreign currency monetary items are amortized on settlement/ over the maturity period thereof. The unamortized exchange difference is carried in the Balance Sheet as "Foreign currency monetary item translation difference account" net of the tax effect thereon, where applicable.

Accounting of forward contracts

Premium / discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortized over the period of the contracts if such contracts relate to monetary items as at the Balance Sheet date.

2.8 Investments

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Costs of investments include acquisition charges such as brokerage, fees and duties.

2.9 Employee benefits

Employee benefits include provident fund, gratuity, compensated absences and post-retirement medical benefits, etc.

Defined contribution plans

The Company's contribution to provident fund is considered as defined contribution plan and is charged as an expense as it falls due based on the amount of contribution required to be made.

Defined benefit plans

For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the period when the employees render the service.

Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

2.10 Borrowing costs

Borrowing costs include interest, commitment charges and other related costs. Borrowing costs to the extent not directly related to the acquisition of qualifying assets are charged to the statement of profit and loss over the tenure of the loan.

2.11 Leases

Assets leased by the Company in its capacity as a lessee, where substantially all the risks and rewards of ownership vest in the Company are classified as finance leases. Such leases are capitalized at the inception of the lease at the lower of the fair value and the present value of the minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss.

2.12 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

2.13 Taxes on income

Current tax is the amount of tax payable on the taxable income for the period as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward of losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realized. However, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realize the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

2.14 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the notes forming part of the financial statements. Contingent assets are not recognised in the financial statements.

Contingent provision against standard assets represents a general provision at 0.50% of the outstanding standard assets and provision against restructured loans, in accordance with the RBI guidelines. In addition, the Company also maintains additional provision based on the assessment of portfolio including provision against stressed assets.

2.15 Derivative contracts

The Company enters into derivative contracts in the nature of foreign currency swaps, currency options, forward contracts with an intention to hedge its existing assets and liabilities, firm commitments and highly probable transactions in foreign currency. Derivative contracts which are closely linked to the existing assets and liabilities are accounted as per the policy stated for Foreign currency transactions and translations.

2.16 Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.
